

SABLON CHOCOLATE LOUNGE

All chocolate lovers, rejoice! Our dream of a chocolate wonderland has finally become a reality, and it's right here in Dallas!

Sablon Chocolate Lounge, named after a small historic neighborhood in Brussels, Belgium, where all the well-known Belgian chocolatiers reside, opened its doors in West Village back in January of this year. Since then, there has been an absolute craze for their decadent chocolates. In fact, they've grown so popular, they will be expanding to NYC soon!

The menu at Sablon offers both sweet and savory offerings - from hot chocolate and waffles to paninis to cheese fondues.

Let me tell you, everything is just divine. My favorites include the *Tiramisu Hot Chocolate*, *Minty Shake*, and *Igloo Waffles*.

Whether you're looking to grab your morning coffee or take your S.O. on a special date night, Sablon is the perfect destination.
